Report on One-Day Educational Picnic

Government Degree College Frisal organized a **One-Day Educational Picnic** for the students of the **1st Semester** on **28 October 2026**. The picnic was organized under the able guidance and patronage of the worthy Principal, **Dr. Fayaz Ahmad Butt**, whose encouragement and support played an important role in making the event successful. Faculty members also accompanied the students and actively participated in the programme. The College contingent departed from the campus in the morning after ensuring the attendance of all the students and necessary safety arrangements. The picnic began with a visit to **Bagh-e-Gul-e-Dawood, Srinagar**, which is known for its beautiful varieties of flowers and colorful floral displays. Upon reaching the garden, the students and faculty members explored the premises and observed different types of flowers. The visit provided students with an opportunity to appreciate the diversity of flowers and the beauty of nature. After exploring the garden, the participants had lunch together in a pleasant and friendly atmosphere. Following the visit to **Bagh-e-Gul-e-Dawood**, the group proceeded to **Nishat Garden**, one of the famous Mughal gardens of Srinagar. The students and faculty members enjoyed the garden's scenic surroundings, lush greenery, and peaceful atmosphere. They spent some time exploring the garden and enjoying the natural beauty of the place. The group departed from Nishat Garden at **5:00 PM** and commenced its return journey. All the students and faculty members reached Government Degree College Frisal safely, marking the successful conclusion of the picnic. The picnic was an enjoyable and memorable experience for the students and faculty members. It provided a welcome break from routine academic activities and offered students an opportunity to interact with their teachers in an informal setting. The visit also encouraged an appreciation of the natural beauty and horticultural richness of Kashmir. The programme was conducted successfully with the cooperation and active participation of the faculty members and students. Overall, the picnic proved to be a pleasant and enriching experience, contributing to the student's recreation, social interaction, and overall development.
